# REACH OUT RAPID RIVER 

Rapid River Public School's Newsletter

## March/April 2015

## SUPERINTENDENT'S COMMENTS

Congratulations! We survived another winter and spring is on the way! Although it is still too early to get excited about a change in the weather, we are gearing up for a number of exciting school activities that come with spring.

Our $5^{\text {th }}$ graders are preparing for their overnight trip to Clear Lake, Key Club is planning for the District Convention, and our Senior class is busy with the details of the Class Trip. Of course, each of the outings involves fundraising, so if you are willing and able to offer some financial support, these groups will be very thankful and appreciative.

There is still time to enjoy the entertainment and competition of our remaining basketball games. Stop by the gym and show our Rockets how proud you are of their efforts. We look forward to seeing you there.

Often times, we are able to rectify "missing" books over the phone but we need to hear from you! It will also help if there is a designated place for books that come home from the library so you or your child knows where to
put/find it to bring back to school. We want to continue to encourage reading/being read to. Thank you!

## INDIAN ED

February $25^{\text {th }}$ our program put on a very enjoyable storytelling singing presentation in the high school gym for grades 6-12. Participants included Tom and Kim Roman, Gary Meshigaud, Flo Cutter, and our cultural advisor, Dave Keller. We were able to do this with the help of the Sault Tribe's 2\% grant, for which we are very grateful. Later that day we had our annual tubing party with Gladstone's Indian Ed program. As always, we had a great turnout and good time was had by all!

Mr. Pilon has been very busy helping many students with their work. It's gratifying to see so many young people seeking him out to better their grades. Keep coming!

If anyone has questions in regards to our program, please call our office at 474-3527. Miigwetch!

## ELEMENTARY NEWS

Every month is busy when you're in Elementary School, but the end of February through March is looking full of wonderful learning experiences for our students! We have a nutritionist coming in each week to share healthy eating habits, Operation Life Saver is putting on a program about railroad safety, Reading is Magic is presenting a program, and the Peninsula Federal Credit Union will be here for our $3^{\text {rd }}$, $4^{\text {th }}$ and $5^{\text {th }}$ graders, to teach them about saving and banking.

Something new this year, that we are excited about, is an art grant from the Michigan Council for Arts \& Cultural Affairs written by Kristine Paulson. Each week we'll have various professionals here to provide art sessions to go along with our Native American studies and our science curriculum. Each grade level will be geared for them personally and the students will get to make and keep some really interesting projects. Some of the classes will make drug awareness videos, some will receive theater/drama activities, and some will have collections of art to take home. This is going to be a wonderful opportunity for our students.
